

MAY 11, 2020

John A. Molinari, Ph.D.

## RE-OPENING YOUR DENTAL OFFICE:

COVID19 INFECTION CONTROL MEASURES  
FACT vs FICTION

1 HOUR CE COURSE

*Dr. Molinari* earned a PhD in Microbiology from the University of Pittsburgh and subsequently worked as a faculty member in the School of Dental Medicine. He is currently Professor Emeritus at the University of Detroit Mercy, where he served for 32 years in the School of Dentistry as Professor and Chairman of the Department of Biomedical Sciences and Director of Infection Control. Later, he was Infection Control Director for DENTAL ADVISOR where he was involved in research on newly developed infection prevention technologies and products. He has published over 500 scientific articles, text chapters, and abstracts in the areas of microbiology and immunology, and lectures nationally and internationally on topics dealing with infectious diseases and infection control. He has also been a consultant for the CDC, ADA, and regional hospitals.
