

# Oral Pathology - Common Lesions of the Mouth: Diagnosis and Treatment

2 HOUR CE COURSE

Guest Speaker -  
**Brent Accurso, DDS**

## LEARNING OBJECTIVES

- Provide attendees with a review of oral pathology applicable in everyday clinical practice.
- Help attendees to formulate a differential diagnosis and recognize when to refer or biopsy.
- Review common and less common pathologic conditions affecting the oral cavity.
- Recognize risk factors for H&N cancer
- Learn effective management strategies for common infections.

## ABOUT

Dr. Brent Accurso is a board-certified Oral & Maxillofacial Pathologist with CTA Pathology, a national digital specialty pathology practice serving dental clinicians and dermatologists nationwide. He attended the University of Michigan for dental school before completing his specialty training at Ohio State University. In addition to his pathology practice, Dr. Accurso is involved in education for both residents and practicing clinicians.
