

# Restore with Confidence: A Team Approach to Perio-Restorative Success

Presented by - **Kyle Hogg, DDS, FCGDent (UK)**

2 HOUR CE

## LEARNING OBJECTIVES

- When to “phone a friend” – What are some of the common restorative procedures that can be made less stressful with help from our Periodontal colleagues?
- Cervical caries – Do we simply restore them, cover them, expose them, or meet in the middle?
- Are those teeth actually short? – Management of Altered Passive Eruption and Altered Active Eruption.
- Taking fixed prosthodontics to the next level of aesthetics with soft and hard tissue augmentation.

## ABOUT

Dr. Hogg graduated from the University of Michigan School of Dentistry in 2004, University of Florida College of Dentistry (AEGD) in 2005 and went on to complete his MClindent Prosthodontics at King's College London, UK. His private practice focuses on prosthodontics, aesthetics, and both the surgical and restorative phases of implant dentistry.
